

RESEARCHER AGREEMENT

I acknowledge that I will, as part of my collaboration or work with the Centre for Experimental Social Science (CESS), Nuffield College, have access to private and confidential data about individuals within its experimental subject pools.

I understand that it is my responsibility 1) to ensure that this information remains confidential and secure at all times; 2) to protect this data according to CESS' ethics guidelines and data protection procedures (these are published on the CESS website); and 3) to abide by the UK Data Protection Acts of 1988 and 2018.

I agree to:

- 1) Ensure that any data downloaded or shared with myself is accessed only on a secure machine, and never accessed, distributed or downloaded via public or shared computers;
- 2) Never distribute data that contains personal or identifying information, including to others working at/for CESS, without explicit written approval from CESS' data controllers [Noah Bacine, Mauricio Lopez, Tommaso Batistoni];
- 3) To never send personally-identifying information via email;
- 4) To delete any and all copies of data containing confidential or personally-identifying information **within 14 days of downloading/receiving this data**

I am aware that failure to meet these conditions constitutes not only a violation of CESS protocols but could also violate UK law.

I will take all reasonable and necessary precautions to ensure that I am in agreement with these terms and the applicable legislation at all times.
