

Below, find CESS's guidelines for minimum compensation of subjects for participation in experiments. Each rate contains a component that must be guaranteed for completing/coming to an experiment and an average additional payment that can be earned during the course of experiment. Completion and showup fees refer to amounts that are guaranteed while participation rates refers to the average variable amount that subjects should earn that may depend on their choices, other's choices, and luck.

Oxford Experiments		
Type of Experiment	Show-Up/Completion Fee (Guaranteed)	Participation Rate (Average)
Laboratory	£5	£10/Hour
Virtual Laboratory	£3/Hour	£8/Hour
Online	£2/Hour	£7/Hour

* The payment guidelines above are based on the living wage in each location. For any location not listed below or any questions about our guidelines, please contact us at cess-lab@nuffield.ox.ac.uk.
